HERE'S A GIST OF WHO WE ARE

We are a bunch of marketing masterminds who believe that every business has the potential to leave a mark on the world. We use inbound marketing strategies to draw in customers and lead businesses to success. We have been holding the baton in helping businesses achieve their goals for the last 7 years.

From startups to established enterprises, our expertise has helped businesses across all tiers achieve their aspirations. Every business is unique, and we tailor our strategies to suit your specific needs and goals.

We work with you every step of the way to ensure that you're getting the most out of our services. Inbounderz is committed to helping you steer your business to growth and success. We are passionate about what we do, and we are ready to make your brand's voice heard.

Let's do it together!

MISSION

As ambassadors of smart and strategic marketing solutions, we are proud of the space and position we have created in the world of branding and marketing. We remain committed to our mission of catering to the 360° marketing needs of our clients and creating a systematic exchange of creative ideas & thoughts that can help them grow beyond their expectations.

VISION

Since entering the field of marketing with humble beginnings, we have progressed exponentially to become one of the best marketing partners in India. In the near future, we envision being a part of a global marketing scenario with clientele and work flowing in from all parts of the world.

Make Us A Part Of Your Dream!

We'll Tell You Why

There are a great deal of digital marketing organisations out here in Bangalore offering marketing solutions.

So, why pick us over them?

We treat each brand as an extraordinary master project, and thus, the methodologies are extremely unique. We tailor-make digital marketing strategies based on your brand's vision. Apart from that, we have

- A team of experienced, dynamic youngsters driven by invigorating enthusiasm to excel every day
- Specialised individuals assigned to each role for ensuring the smooth flow of functions
- Equally strong creative and technical departments that stand ready to take on missions
- Hands-on knowledge in multiple industries
- Dedicated project coordinators for consistent & systematic plan execution.
- Multiple content strategists to brew up innovative strategies
- A complete in-house media production team.
- Flexibility in catering to diverse geographical locations

You can trust us completely when it comes to formulating exceptional digital marketing techniques that launch your brand's name to the top.

So, what are you waiting for?

Hop on board, and let's conquer the vision together!

Package Design

Package Designing for Kerala Dinesh

Old Design

Dinesh is a brand that sells authentic curry powders and spices.

The packages did not have uniformity and each package seemed vastly different from the other.

New Design

A new master design with added variation for differentiating curry powders and spices while maintaining uniformity.

Package Designing for Ice Kick

Ice kick is a premium ice pop brand from the house of Mom Scoops. The package has a minimal yet funky look with colourful images.

Package Designing for Milma Icecream

The designs for Milma, a loved brand in Kerala, was done by adhering to the guidelines of the brand while incorporating a delectable touch with colours.

Package Designing for Himaz

To stay on par with the herbal and organic nature of the products, the designs were conceived by emphasising on the organic appeal.

Package Designing for Pattiam's Ayurveda

Pattiam's provides Ayurvedic products with the promise of purity. The packaging has uniform minimalistic designs to emphasise the identity of the brand.

Package Designing for Saven

The brand Saven is involved in the production of premium chocolates and candies. The designs concentrated on elegance that is associated with the brand using appealing colours and fonts.

Package Designing for BR Fresh

BR Fresh's flavoured milkshakes were designed with the scope of giving the brand an identifiable image in the minds of the customers with variations for each flavour.

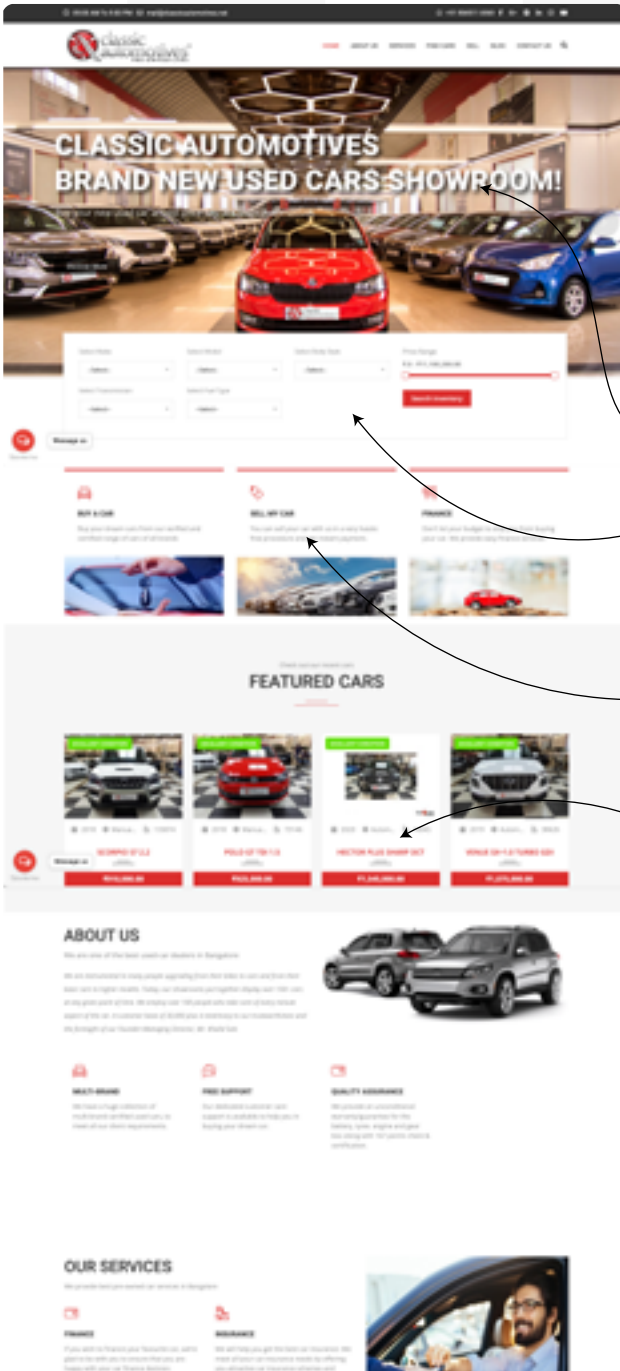

UI/UX Design

Classic Automotive

Classic Automotives is a leading dealer of pre-loved cars of various makes and models. The older version of the website was not user-friendly and lacked the quality of responsiveness.

Major Issues With The Current Website

Banner text is not easily legible

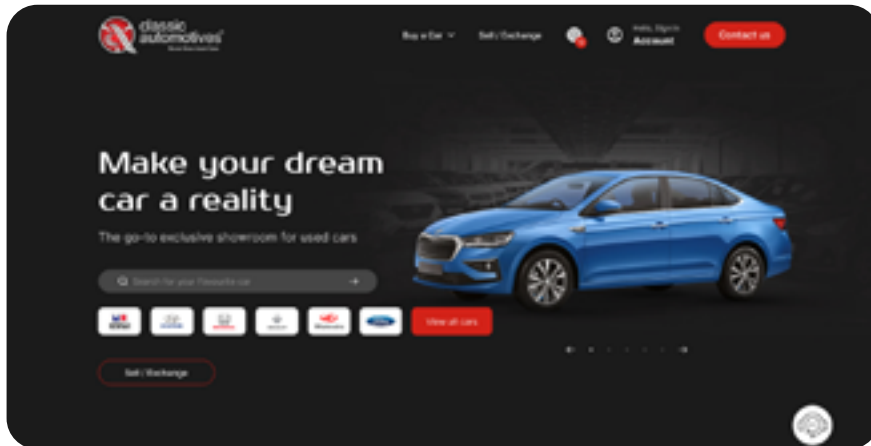

Too many irrelevant filters on the home screen can overwhelm the customers

Lack of a CTA button for customers to engage based on their interests.

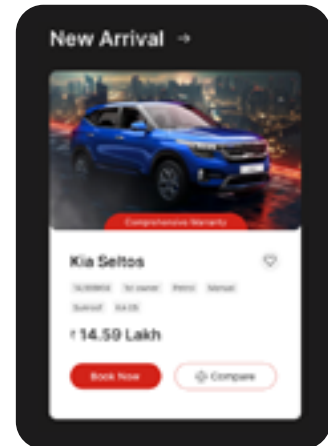

Outdated product card design that tends to confuse the users

Absence of a proper website flow

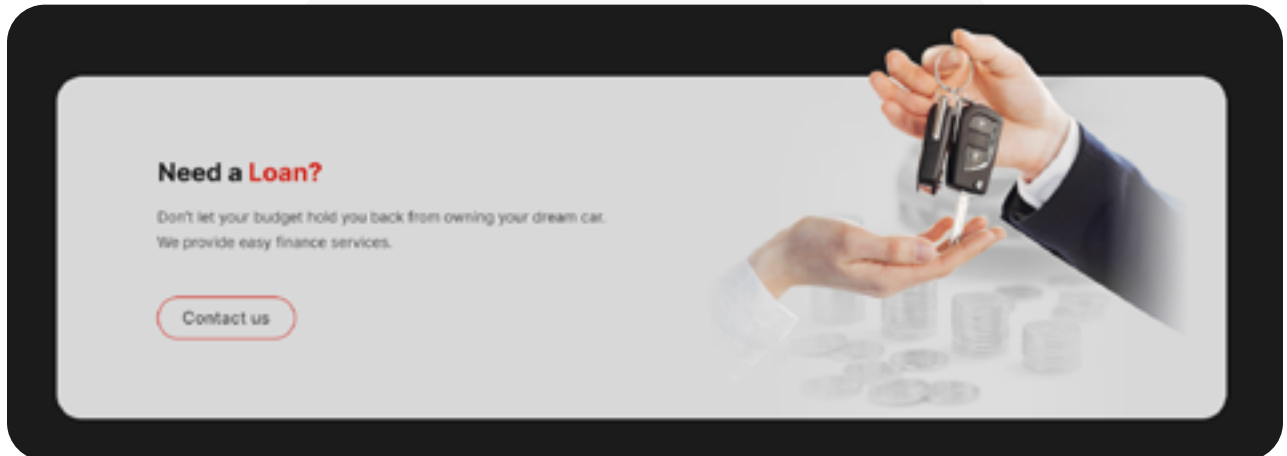

Here's What We Did

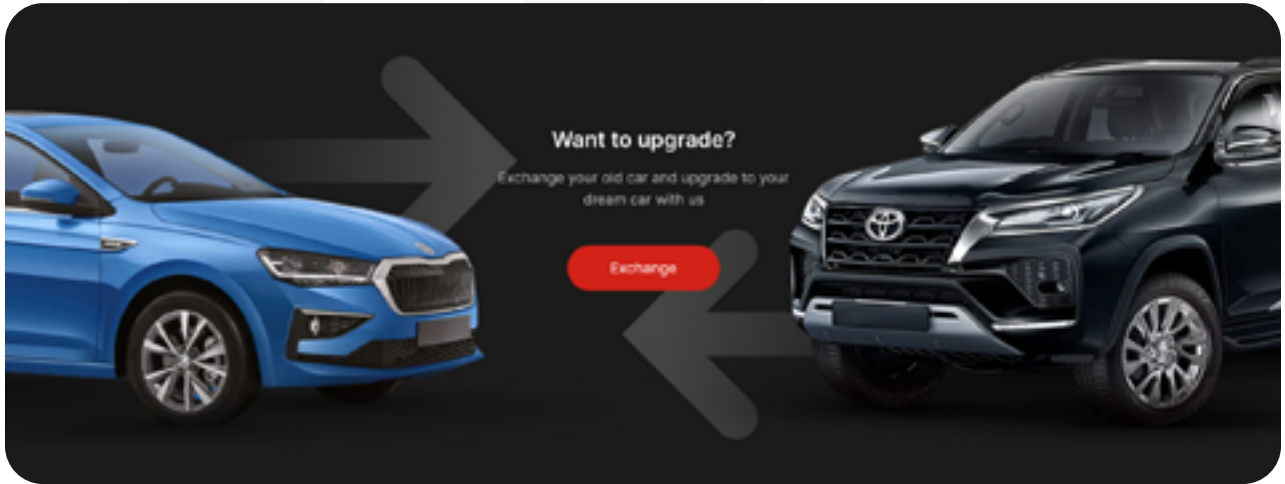

Redesigned the banners and headers with legible fonts and colours. Incorporated user-friendly CTA buttons for a better website experience.

Updated product card with easy to understand icons

Highlighted the LOAN option with relevant CTA button for easy engagement.

Made the exchange option more prominent to improve user experience

About us

Classic Automobiles with 7 showrooms across the city, we are Bangalore's largest chain of pre-owned car showrooms. The pre-owned car industry in India is largely unorganized and customers face a lot of problems - improper documentation, car transfer delays, etc. We are the smart alternative to the disorganized market, comprising of mechanics, referrals, tests, etc.

Our showrooms collectively display over 100+ cars at any given point of time. As we cater to our entire nation, a customer base of over 20,00,000 and a record of over 2,00,000 cars purchased and sold stand testimony to our professionalism.

Ayushman Ayurveda

Ayushman is an ayurvedic treatment centre that provides hollistic ayurvedic solutions with the help of eminent doctors. The website is bland when it comes to showcasing their services on the landing page.

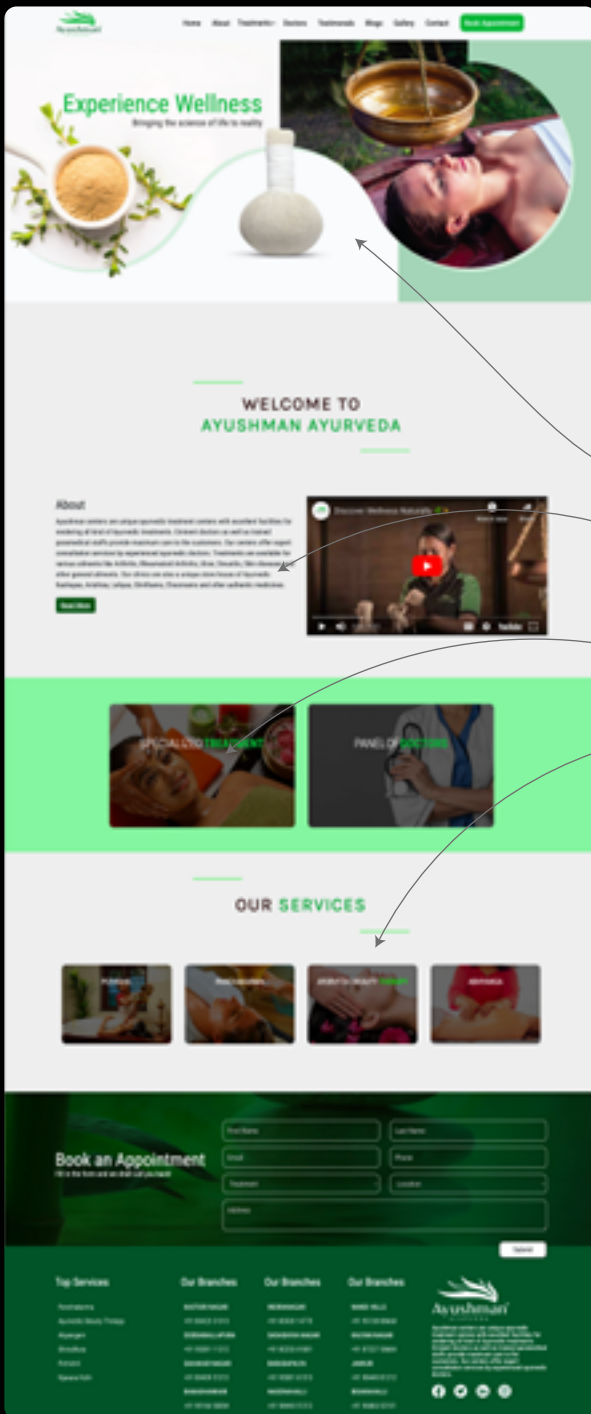

The screenshot displays the Ayushman Ayurveda website landing page. At the top left is the Ayushman logo, and the navigation menu includes Home, About, Treatments, Doctors, Testimonials, Blogs, Gallery, and Contact, with a green 'Book Appointment' button. The main banner features the text 'Experience Wellness' and 'Bringing the science of life to reality' alongside images of a bowl of powder, a stone gavel, and a woman receiving a treatment. Below the banner is a 'WELCOME TO AYUSHMAN AYURVEDA' section. The 'About' section describes the center's services, and a video player is visible at the bottom right.

Major Issues With The Current Website

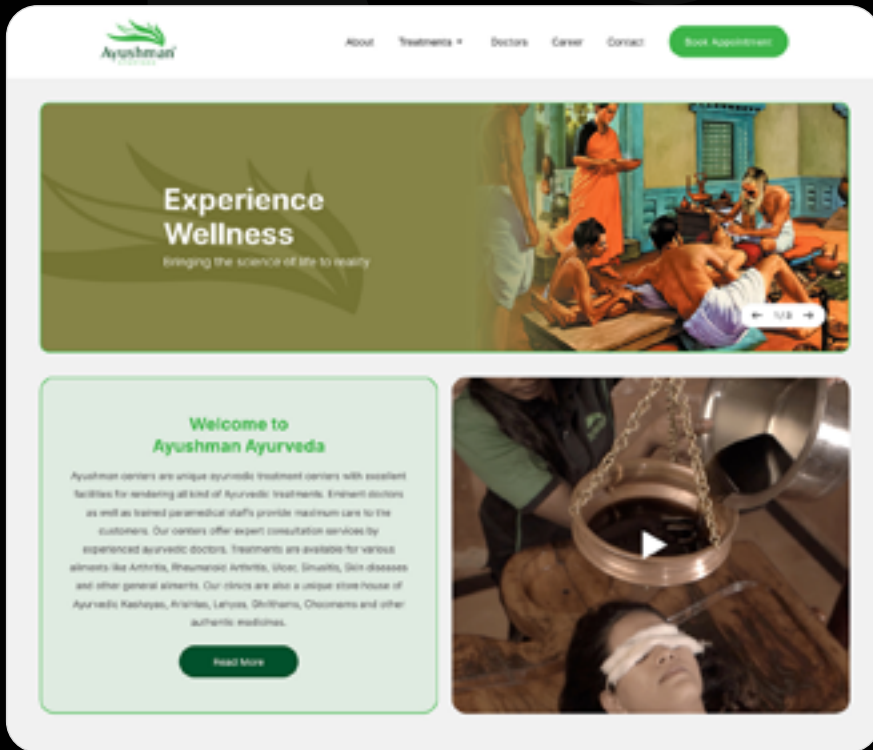

Unnecessarily complex banner image

Imperfectly aligned structure

Important details are not highlighted well enough

Extremely outdated card designs with no proper emphasis on the option to book appointments

What We Did

Redesigned the page to align the sections with respect to various important elements.

Updated the card by highlighting the treatment section with an insight to the treatment process.

Added video testimonials to build further trust and evoke a sense of genuinity.

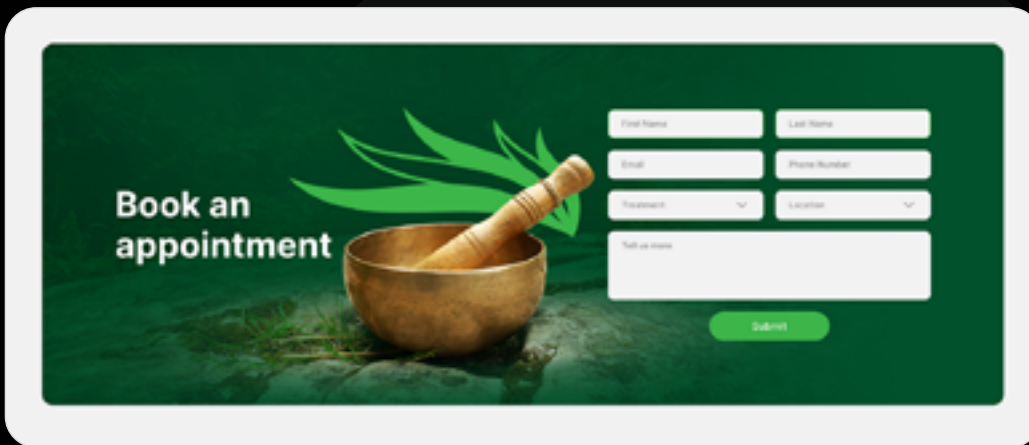

Included the names and details of the doctors

Added a map on the landing page to help identify the locations of all Ayushman branches.

Updated the 'Book An Appointment' card by focusing on improving the visibility.
